

<b>Project title</b>	Renovation of economic activities in rural disadvantaged localities to the Prut river meadow at the border with Nisporeni and Hincesti rayons
<b>Location</b>	Obileni, Ivanovca, Cățăleni from Hîncești and Călimănești from Nisporeni
<b>Applicant</b>	Town hall of Cățăleni
<b>Partners</b>	<ol style="list-style-type: none"> <li>1. Obileni townhall</li> <li>2. Ivanovca townhall;</li> <li>3. Călimănești townhall;</li> <li>4. Hîncești rayon council</li> </ol>
<b>General objective</b>	Renovation of economic activities in rural disadvantaged localities to the Prut river meadow at the border with Nisporeni and Hincesti rayons
<b>Short desription of the project</b>	<p>The proposed works under this project solve completely internal problems of the villages Obileni, Ivanovca, Călimănești, improve Cățăleni access to these villages to the national road Chisinau-Leuseni and save about 150 Cățăleni househlds.</p> <p>The road M1Cateleni - Călimănești being part of the road-Nisporeni Leuseni is a masterfully planned Criva Giurgiulesti national road. The existing status of the road is deplorable. Its length is 13.5 km, 5.5 km of which is built in reinforced concrete and is 4.0 m wide and 8.0 km is has gravel cover.</p> <p>Situations is worsening because the whole road is near Nîrnova river, parallel to it, and because of the drainage system that is eplorable and flooded 10 to 12 times every year.</p> <p>The works proposed by this project is a portion of the road Criva-Giurgiulesti, they completely solve internal problems of the villages Obileni, Ivanovca, Călimănești and improve Cățăleni access of the villages to the national road Nisporeni Leuseni Chisinau and save from floods about 150 households.</p>
<b>Results</b>	As a result of project implementation there will be about 6,000 people with access to M1 highway (Chisinau-Leuseni) border crossing point Leuseni-Albița. There will be considerable increase regarding investment attractiveness of the locality and population living standards will improve.
<b>Current status of the project</b>	In search for financlal resources
<b>Implementation period</b>	20 months
<b>Costs</b>	40 230 471 Lei
